ULTIMATE

DE LUXE RANGE

Our 'Unique-to-Cascade' HYBRID Design combines the very best in high-density concrete, reinforcing steel and polymer construction, with 90mm Insulation material making CASCADE the obvious choice for Kiwi families that are interested in a reasonable cost, environmental

(we use recycled steel) low power 550w and 750w pumps instead of huge power sucking 1-1/2 hp pumps that cost twice as much to run, and we put INFILFOAM insulation in the pool walls - so that pool water temperature loss through walls is close to zero - saving you heaps in heating costs!

Add the amazing AQUAGENIE surface skimmer and either an OZONE or FRESHWATER sterilisation system (Water so safe & good its classified as 'Fresh Water'")

Because your pool should be a PLEASURE!

by the NZ Authorities) and there is little left for you to do ... except enjoy your pool!

Cascade leads all the others with the longest lasting

pool, the longest Guarantees, the cheapest pool to operate, little or no long term maintenance, and even better - little or no work for you to do except swim, BBQ, and lounge about with the family!

As you had recently contacted us about a pool for your home, I thought I would remind you just why Cascade is the best pool you can choose for your family to enjoy the predicted longer, hot summers!

POOLS FOR THE 21st CENTURY

Cascade has the only 21st Century design available in New Zealand, so why not support an innovative and progressive Kiwi family-owned company that has kept Kiwis in employment building beautiful Award Winning pools since 1971.

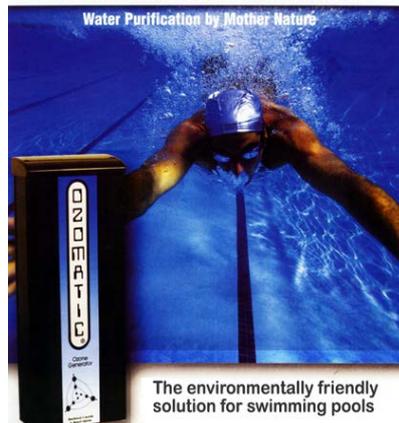

Regardless of the shape, size and depth you want, Cascade can provide you with a home swimming pool that will keep your family entertained for many years to come, and provide a healthy, safe environment for those teenage years - and you will always know where you children are on the weekends!

I can go on about our range of pools and colour choices and how many Medals we have won (my wife tells me I always put too many words into my letters) but I would rather just include a few more pictures, and invite you to call us anytime to discuss your pool concept and perhaps negotiate a satisfactory quotation for a Cascade ULTIMATE pool in your back yard ready for the next long, hot Summer! Call 0800 CASCADE (227 223) now!

Lifetime Guarantee

Cascade ULTIMATE swimming pool components are installed by Cascade Swimming Pools and/or its Authorized Dealers and Agents (the seller) who are fully Certified to provide and install for the end user (the customer) the product known as the "Cascade Ultimate Concrete Swimming Pool" or the "Cascade Vinyl Liner Swimming Pool", and unless the anticipated LIFE-TIME of the components below.

Providing the components are installed by an Authorized Dealer in accordance with the provisions of the Building Approval issued by the Local Territorial Authority in accordance with the Plans and Specifications of the Designer and Registered Structural Engineer, and installed in good workmanship, stable non-slipable and well drained with them subsequently maintained in accordance with the guidelines for correct chemical and sanitation procedures contained in the supplied Pool Owner's Manual, the seller (in accordance with the provisions of the Consumer Guarantees Act 1993) warrants and guarantees the following components will perform to their expected lifetime:

TWENTY YEARS - ULTIMATE CONCRETE POOL SKILLS carry a twenty-five year structural liability guarantee. Substrate, Silt, Turbidity damage in these areas will not be covered by the structural guarantee.

TWENTY YEARS - ULTIMATE WALL WOOLIES manufactured from zinc-chlorinated steel will remain structurally sound and suitable for the intended use for a minimum period of twenty years.

Materials that include Business are voided if the pool is subsequently put with a false structure or other material in breach or removal under the terms, unless a further statement of Property Possession is submitted to Cascade in New Zealand prior to installation of the components.

TWENTY YEARS - ARMAL POOL LINER will remain free of defect and remain structurally sound for a period of 20 years. The warranty does not cover physical damage, staining or cutting, inappropriate chemical treatment or abuse, fading or colour change, chemical staining, tear/grip equipment, or any other effect resulting from installation or causes beyond the control of the seller. (See "How to care for your liner" in the Owner's Manual).

TEN YEARS - POOL FILTER The pool filter unit is unconditionally guaranteed against Manufacturing Defect for 10 years providing that it is housed in such a manner as to be protected from weather & elements.

THREE YEARS - INTERIOR MOSAIC TILE BANDS, PLASTER FINISH SURFACES, WORKMANSHIP & INSTALLATION and pool edging systems carry three year workmanship guarantee and will remain free of any mechanical defect for a period of three years.

FIVE YEARS - POOL PUMPS are unconditionally guaranteed against Manufacturing Defect for five YEARS providing that they are housed in such a manner as to be protected from sunlight, outdoor weather & other elements.

ONE YEAR - POOL LIGHTS, OZONE PLANT and Transformers are guaranteed for ONE YEAR. Light Bulbs carry no warranty, but will be replaced by us if they fail within ONE YEAR of installation.

*The "Lifetime" of the components are defined as specified (below):

THIS GUARANTEE MEETS OR EXCEEDS YOUR RIGHTS UNDER THE CONSUMER GUARANTEES ACT

This Guarantee is issued & validated by the seller/installer. Should a claim arise, under the terms of the Consumer Guarantees Act, you must contact the seller/installer for advice. Be aware that any guarantee is limited to workmanship & mechanical defect and not wear & tear. The Guarantee period commences on the date of receipt of the final payment due, and will not be reduced while any payments are outstanding.
