Schedule C: Please be sure you understand these exclusions!

1. Building Approvals & other Council Fees are payable direct to Council by you. A PS4 (Construction Review by the Structural Engineer) which will be an additional cost may be required. Resource Consents will cost additional administration fees plus the cost of drawing up Plans and applications
2. Excavation & Removal of soil even moving about on the site is YOUR CARE. Trucking soil may involve eight or more hours of truck hire, and TRAFFIC PROBLEMS can add hours to the bill. Tips Fees may be payable, adding \$500 - \$1,500.
3. Damage to ANY driveways etc. is NOT COVERED by Cascade's insurance, and probably NOT COVERED by the trucking company either! Check with your Insurance Broker to see if you need a day or two's cover when the excavation takes place!
4. Electrical connections to filter plant, ozonator, chlorinator, lights-to-transformers/extra wire, transformers, or other associated electrical equipment are YOUR CARE. QH pool lights come with a 12v-240v transformer. Get Quotes for this work!
5. Use of Hydrant or Tanker fill water is at your cost. Get a local quote for Tanker Fill. Your own rainwater tanks or bore water may not be suitable to fill the pool. A crew standby charge of \$650.00 per day applies (+GST) while the pool fills slowly.
6. You must locate Boundary Pegs. If you can't find them, employ a Surveyor to locate and mark them for easy accessibility.
7. Undiscovered Country - underground obstacle encountered during excavation, anticipated or otherwise even if discussed with us prior to excavation, infill, re-build or buildup of the excavation, peripheral damage to adjoining structures, retaining or shoring as required as a result will be a chargeable extra.
8. Pool Fencing: Required under the Fencing of Swimming Pools Act 1987, and which must be in place prior to filling the swimming pool. If you want us to arrange temporary fencing for you, you will be billed direct by the supplier.

BELOW ARE GST Inc. ESTIMATES BASED ON OUR EXPERIENCE, NOT A QUOTE BY CASCADE, AND MAY VARY CONSIDERABLY!

Council Fees or Requirements

- Boundary Pegs **must be located:** This may require a visit by a Professional Surveyor \$ _____
- A Refundable Compliance Bond may be payable to your local Council \$ _____
